

CSC Aadhar process Document (1202)

Steps are as follows

1. VLE should be registered at the apna.csc.gov.in.
2. The VLE should have certificate from Sify or NSEIT for Supervisor(operator included in this). (CSC-SPV will help the CSC-SPV in this regard for the process)
3. The Kit has to be purchased from the market by VLE. Cost of kit is approx 60,000 to 65,000. These kits are listed at <http://www.uid-aadhaar.com/>.
4. The CSC Team has suggested Cogent or Crossmatcs. These are available at Nehru Place, Delhi and other bigger cities of UP.
5. The VLE has to apply online at URL Link :
<http://registration.csc.gov.in/uidreg/PECRegForm.aspx>

At the registration time the following will be asked

- OMT ID
 - Aadhar No
 - Machine Details
 - Verifier Documents (This person may be retired from the government who is having Aadhar. He will be paid Rs 2 per Registration)
6. After the form submission, CSC-SPV, Delhi will take 5-6 days for data processing & verification.
 7. After this the verified data will be sent to state CSC-SPV team for kit registration & operator activation. This will be closed in 7 days.
